WORK EXPERIENCE

STGenetics Navasota, TX
HR Writing & Content Developer Intern May 2025 – October 2025
- Standardized and revised cross-location job descriptions, directly improving candidate-to-role alignment and reducing initial employee turnover.
- Created targeted job advertisements and refined core HR materials, including handbooks and workbooks.

Undergraduate Professional & Research Experience Program. College Station TX
Research Assistant January 2024-April 2024
- Created a guide to transcription and archival methodology, increasing document processing efficiency for future project researchers.
- Collaborated with instructor to collect, organize, and transcribe unpublished 19th-century manuscript letters using international library databases.

Texas A&M University First-Year Program College Station TX
Peer Mentor January 2024-April 2024
Developed discussion modules for First-Year Seminar courses to increase student participation; conducted one-on-one mentorship sessions to guide incoming students through academic transitions.

UNIVERSITY PROJECTS

Clinical Workflow & Operations Documentation Suite Spring 2026
- Designed a 4-part documentation package that included operational duty guides, a work credo, and breakroom compliance posters to reinforce staff learning and streamline clinic workflows.
- Conducted usability evaluations, achieving a 100% task completion rate in under 5 minutes and incorporating user feedback into final revisions.

Interactive Houseplant Care Web Application Fall 2026
Designed and implemented a web application using HTML, CSS, JavaScript, React, and external APIs to provide real-time plant care diagnostics.

Video Instructional Design & Custom Cursor Tutorial Fall 2026
- Scripted, recorded, and edited a 3-minute technical video teaching CSS custom cursor implementation using Camtasia.
- Utilized animated UI controls and code display techniques to reduce cognitive load.

Manuscript Editing Project Spring 2025
Edited a published manuscript for inclusion in a book chapter, enhancing readability and grammatical precision.

ACTIVITIES & SKILLS

HerCampus Texas A&M University College Station, TX
